MEMORANDUM FOR: Director of Medical Services

SUBJECT : Program Submission for FY 1975

1. The Plans Staff has reviewed the program submission transmitted with your memorandum of 30 March 1973. The DD/M&S will review your program with you in the DD/M&S Conference Room at 0900, 11 April.

2. We have identified a number of things which we feel should be elaborated further and have raised a number of questions. Our comments and questions are listed in the attachment to this memorandum. The DD/M&S has not seen our comments or questions, but will have reviewed them before you meet with him next Wednesday and you should be prepared to address them at that time. We have tried to anticipate the kinds of questions we have learned to expect from PPB and OMB examiners. You should also anticipate that Mr. Brownman may have additional questions after he has completed his review.
